NOTE FOR:

25X1

FROM: David B. Low
National Intelligence Officer at Large

SUBJECT: Visit by Lewis Dunn, Assistant Director, ACDA, 5 January, 1984,
1:30 - 2:30 p.m., Room 5B46 HQS

1. Lewis Dunn has offered to visit next Thursday in order to discuss his role in coordinating preparations for the 1985 NPT Review Conference and intelligence support and issues relating thereto. This follows a discussion which he and I had last week in which I suggested that I might be interested in scheduling an estimate during 1984 on this subject.

2. You are all invited and encouraged to attend and to bring any other analysts whom you think appropriate.
